

## ANGIE STEWART

My most gratifying job title I feel privileged to claim is Mommy and Wife! Married to Chip for 10 years...whew, is that all!

I am mommy to Paige who is almost 8 and a half years old and Lilli, 3 and a half years old. Paige is LKN's Complaint Supervisor. Chip says she has to learn to pull her own weight! Lilli is the greeter and always has a smile for everyone.

Since that doesn't actually pay the bills, I am gainfully employed as a 'glorified bus driver' or better know as a corporate Pilot

with [Lowe's Companies, Inc.](#) I graduated in 1995 from Embry-Riddle Aeronautical University in Daytona Beach, Florida, with a Bachelor of Science in Aeronautical Science, minor in Meteorology. I have been in the aviation industry for almost 25 years, the last 11 with Lowe's and prior to that, several NASCAR drivers and owners.

In my spare time(whenever that is), and as a third J-O-B(but really for fun), I teach [BODYATTACK™](#), [RIP™](#), [BODYPUMP™](#), [cycling](#), [TRX®](#), [TurboKick®](#), [PiYo™](#), basic step, HI-LO and kick-boxing! I have a group fitness certification thru ACE, American Council on Exercise. When I am not working...I enjoy family, friends, traveling, sun and sand, all things associated with aviation, anything

requiring power tools or toys with horsepower, website development and water-sports.
